**Taipei Economic and Cultural Representative Office in the United States –  
Switchblade 300 Anti-Personnel and Anti-Armor Loitering Missile System**

WASHINGTON, June 18, 2024 - The State Department has made a determination approving a possible Foreign Military Sale to the Taipei Economic and Cultural Representative Office in the United States of Switchblade 300 Anti-Personnel and Anti-Armor Loitering Missile System and related equipment for an estimated cost of \$60.2 million. The Defense Security Cooperation Agency delivered the required certification notifying Congress of this possible sale today.

The Taipei Economic and Cultural Representative Office in the United States (TECRO) has requested to buy seven hundred twenty (720) Switchblade 300 (SB300) All Up Rounds (AURs) (includes 35 fly-to-buy AURs) and one hundred one (101) SB300 fire control systems (FCS). The following non-Major Defense Equipment will also be included: first line spares packs; operator manuals; operator and maintenance training; logistics and fielding support; Lot Acceptance Testing (LAT); U.S. Government technical assistance, including engineering services, program management, site surveys, facilities, logistics, and maintenance evaluations; quality assurance and de-processing team; field service representative(s); transportation; and other related elements of logistics and program support. The estimated total cost is \$60.2 million.

This proposed sale is consistent with U.S. law and policy as expressed in Public Law 96-8.

This proposed sale serves U.S. national, economic, and security interests by supporting the recipient's continuing efforts to modernize its armed forces and to maintain a credible defensive capability. The proposed sale will help improve the security of the recipient and assist in maintaining political stability, military balance, and economic progress in the region.

The proposed sale will improve the recipient's ability to meet current and future threats. The recipient will have no difficulty absorbing this equipment into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor will be AeroVironment, Inc., located in Simi Valley, CA. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will require the assignment of eight U.S. Government and two contractor representatives for a duration of up to five years to support equipment fielding, training, and program management.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

The description and dollar value are for the highest estimated quantity and dollar value based on initial requirements. Actual dollar value will be lower depending on final requirements, budget authority, and signed sales agreement(s), if and when concluded.

All questions regarding this proposed Foreign Military Sale should be directed to the State Department's Bureau of Political Military-Affairs, Office of Congressional and Public Affairs, [pm-cpa@state.gov](mailto:pm-cpa@state.gov).
